Director's Report for Board Meeting… March 13, 2024

Director's Report:

Intent to Speak Form:
It was noted that someone could not find the Intent to Speak form on the website. It is under the list of policies and is part of the document labeled Public Comments. There is also a link from the trustee page where it states when the board meetings are held.

Assemblyman Magnarelli Grant:
We have received $25,000 from Assemblyman Magnarelli to be used for programming.

Budget Amendment:
We need to amend the budget to apply the $25,000 from Magnarelli under 2770.000 unclassified revenue and to budget expenditures 7410-460-33-0000 Programming.

Problem Patron:
The patron for whom the police wanted to question about his behavior in the library. He was in two weeks ago and the police came and spoke to the person. He is a person with a disability. The officers did a great job working with the person. In the end he was made to understand what is and is not appropriate when approaching strangers. He has been barred from the library for one month.
