

Documentation of the Mastery: Interlibrary Loan for Librarians

ILL General Info:

- A. When the item comes in it will be processed by the ILL clerks and put on Hold for the patron through a special Polaris temporary record. They receive the usual Hold notice.
- B. **Patrons must use their own cards to check out ILL items.** Confidentiality rules require that we discuss library transactions with the patron of record only. They need to return the item in a timely fashion in good condition. The default amount for “lost” ILL items is \$75.00 –the actual charges may exceed \$75.00.
- C. Loan Period for ILLs: **Due Dates are set by the lending library.** The due date noted on ILL item is the due date that should be used; the person who checks the item out to the patron has to use ‘special’ or ‘reset’ date in Polaris to change it when checking the item out.
- D. **Can ILL Materials Be Renewed?** Maybe. Some libraries allow renewals, some don’t. Not all renewal requests are granted.
 - a. Encourage patrons to use the materials in the time allotted.
 - b. **Advise patrons to request renewals prior to the due date**—we cannot request renewals for overdue items.
- E. **ILLs should be returned at BPL.** They will be checked in and placed in the ILL returns box next to the intercom system in the Work Room.

ILL Procedures for Librarians: How to initiate an “out-of-system Interlibrary Loan”:

1. Check Polaris carefully.
 - Double-check the exact title and author by Googling it or using Amazon.com
 - Try all ways of searching: Title, Author, Keyword
 - Double-check that you are searching All Branches and All Formats.
2. Open a web browser window (such as Chrome or Firefox) and type in the address worldcat.org
3. A window will pop up asking:

Would you like to:

Go to onondagacountyp1.on.worldcat.org/discovery (recommended)

Stay on www.worldcat.org

Click “Continue” to go to the Onondaga County-specific Worldcat.

4. In the search box, type the title that the patron wants.
 - Note: whatever you type is searched as a word in the Title of the item.
 - If you need to search using more than title words, use Advanced Search.
5. If the item you found shows “Held by: Onondaga County Public Library” you will not be able to use the OCLC ILL form. You must find a record for an edition of the item that does not say “Held by: Onondaga County Public Library”.
6. Once you have identified a suitable record, look for the button under Availability:

 Availability

 Request Item through Interlibrary Loan 

Fill out the form, and when you click Submit, the system will give you an ILL Request # and send the request to the Central Library ILL department. (You do not need to note the ILL Request #, but it does provide a way to track down the request later if needed.)
