

UNSERVICEABLE AMERICAN FLAGS

Drop off your unserviceable flag at any library by Thursday, May 26

Throughout April and May, Onondaga County Public Libraries will collect worn, tattered or faded American Flags that need to be respectfully retired.

Collected flags will be properly burned at the Memorial Day Watchfire ceremony sponsored by the Central New York Chapter of the Vietnam Veterans of America.

The Watchfire ceremony is free and open to the public. It will be held on Sunday, May 29, at the Veterans Memorial Watchfire Park at the New York State Fairgrounds.

The pyre and respectful burning of flags begins at dusk.
