**9:00 AM - 9:00 PM**

Vote in the Library Community Room  
33 East Genesee Street - Baldwinsville, NY

## A Message from the Director

In 2025, our library was responsive to our community's needs and interests.

The library provided programs to combat loneliness and services to preserve local history. The library participated in cooperative energy purchasing to reduce costs, created a Learning Center to support students, and encouraged motorists to employ situational awareness on the road.

Thank you for being part of our story as we continue building a stronger, more connected community together.
