## **SERVICES**

As a means of achieving the purposes stated in Section I, these services are provided:

1. Employment of a professional librarian as director to oversee the operation of the library for the benefit of the patrons.
2. Provision of professional librarians to assist patrons in locating the information and materials they require.
3. Assistance to schools and organizations in locating and using materials.
4. Incorporation of appropriate and up-to-date technology to meet the educational and recreational needs of the patrons.
5. Provision of current, high-demand, high-interest educational and recreational materials in a variety of formats for people of all ages.
6. Access to collections and services at libraries within the Onondaga County Public Library (OCPL) system.
7. Utilization of the OCPL interlibrary loan service to provide patrons with materials from national and international sources.
8. Collection and preservation of materials relative to the history of Baldwinsville, Clay, Lysander, and Van Buren.
9. Provision of service for people with disabilities including special collections and equipment and outreach programs.
10. Provision of a variety of programs for people of all ages to support cultural, recreational, and intellectual interests.
11. Provision of meeting room space to groups whose purposes contribute to the civic, educational, and cultural advancement of the community or to the self-development of group members.
12. Provision of adequate hours during which the library is open.
