

The next BPL Electronics Recycling event is Wednesday, September 28th

The list below is of items that Bruin Recycling **WILL** accept at this event:

Computers & accessories	Appliances & household electronics	Miscellaneous electronics & metal
PCs	Vacuum cleaners	Media (CDs, tapes, DVDs)
Laptops	Telephones	Scientific test equipment
Tablets	Cell phones	Marine electronics
Keyboards	VCRs	Construction/surveying gear
Mice	Typewriters	Generators
Flat-screen monitors	Cameras	Metal filing cabinets
Power supplies	Stereos	Metal shelving
Cords	Sound systems	Scrap metal
Printers	Game consoles	POS equipment
Scanners	Microwaves	LED & Incandescent lighting
Fax machines	Electric Heaters & fans	
Copiers	DVD/CD players/recorders	
Docking stations	Small appliances	
E-readers		

Items that Bruin Recycling will **NOT** accept

Flat-screen monitors over 24" Televisions (neither flat-screen nor CRT) Lawnmowers or anything with a gasoline or diesel engine or oil-burning heaters	Anything that contains coils or coolant, such as refrigerators, air conditioners, wine chillers or dehumidifiers
--	--

How to tell a television from a monitor: Look at the back of the unit, and see if there are coaxial or RCA connectors. If you see either of those types of connectors, then you have a television, not a monitor.
